Dear Parent/Guardian;

Your child is enrolled in one of the above schools that have not made Adequate Yearly Progress (AYP) for three or more consecutive years. Your child may be eligible to receive free supplemental educational services from a state approved provider. Priority is given to children who are in greatest need of academic tutoring. Attached is a list of providers that have been approved by the state. Whatever your decision, please complete the section below and return this form to the school. Do not leave any section blank. Use a separate form for each child for whom you are requesting or declining the supplemental services option. More detailed descriptions are available at your school location and on the district website at www.cherokee1.k12.sc.us Call the school if your contact information changes.
