

LAWN CARE SERVICES

BID NUMBER 2011/2012-08

The bid documents for bid number 2011/2012-08 Lawn Care Services have been amended as follows.

AMENDMENT #1

The following questions were asked:

1. What is the acreage of Gaffney Middle School?

38 acres total, including buildings and structures.

2. Can you provide me the amount you pay the current contractor to provide services to the 4 schools?

Gaffney Middle School - \$285
Blacksburg Middle School - \$185
Blacksburg Elementary - \$205
Blacksburg Primary - \$171

3. The solicitation states that you must be certified to apply pesticides and herbicides. We are pursuing this now however, in the interim can we contract that service with someone who is certified?

The district will not prevent a bidder from subcontracting work as long as the subcontractor is qualified (certified in the area for which the service is being provided) and provides service to the District's expectation. The District will not bear any further cost for the use of the subcontractor.

4. Under 23.0 of the general procurement conditions appendix it states "South Carolina Law requires any construction type work valued over \$5,000.00 will require a current South Carolina General Construction License." Does this apply to this bid?

No. This sentence refers to construction projects.
