Congratulations to Hailey McDaniel and Clayton Peterson in Mrs. Clary's class!! They were the winners for the reading race for the last 6 weeks!!!

From the Principal....

Fees

Please be sure all fees are paid before the end of the school year. Remember students will not receive report cards or a letter telling them which class they will be in for the 2010-2011 school year until all fees are paid in full. This may include lunch money, library books, and/or text book fees. It is extremely important any fifth grade student going to middle school has all fees paid at Goucher. Students **WILL NOT** be allowed to pick up a schedule for middle school until all fees are paid. This rule is strictly enforced at the middle school!

Teacher Requests

Parents, some of you like to call or come in to make teacher requests for your child for the upcoming school year. Please understand it is impossible to keep up with all the requests and fulfill everyone's requests. Much thought and hard work is put in each year to creating class rolls. Classes must be balanced in many ways. This year we have made available a form **Parent Input for Student/Teacher Placement**. If you would like to have some input on where your child is placed next year, please request one of these forms in the front office and fill it out **ASAP** and return it to the office. **Only information turned in on these forms will be considered when placing students in classes for next year.**

NO VERBAL REQUESTS FOR CLASSES WILL BE TAKEN!

Thanks so much for your help and understanding in this matter.

PTO NEWS

The PTO wishes to thank all those who made the Pizza Inn fundraiser a success. We appreciate the efforts of the parents, teachers, and other staff members who volunteered during the event, and we are grateful to all those who made purchases and donations as well. We are very excited to announce that PTO is sponsoring an assembly featuring a traveling science exhibit led by experts from Discovery Place. The assembly will be on May 19th.

From the nurse.....

Parents, please pickup any medications for your child that have been left in the nurse's office on or before May 27th. This is the last day of school for students. Students cannot carry medication home with them. If the medicine is not picked up by the last day of the school year, it will be destroyed.

Thanks,

Thank you to everyone for sending in Box Tops this year. With budget cuts in Education the money we have raised, provides arts materials for our school. Please continue to send them in because the classroom ice cream contest is still going on.

Also, please save your Box Tops over the summer. By doing this it will get your child's class off to a great start for the ice cream parties next year. Thanks again for supporting the Box Top Program.
